

MODEL: K2532 BELT DRIVE PEDESTAL DRILL

The range of Eximus Belt Drive pedestal drills manufactured in Taiwan, provide quiet and effortless drilling in a wide variety of materials. With a 240v or 415v motor, this high-performance drill is ideal for any home, school or industrial workshop.

KEY FEATURES:

- Rigid cast iron base and table enhance the overall strength of the drill
- Cast iron head, drilling capacity of up to Ø32mm
- Large diameter steel column eliminates flexing even at max capacity
- Adjustable spindle guard for additional safety
- No volt release, overload protection with twist to release emergency stop
- Rack and pinion to wind table up and down
